Community Discipleship— a new era – a new vision!

As Rolling Hills has now officially moved into our new organizational structure and focus, not a day goes by without someone asking me to explain the vision of our new Community Discipleship (CD) ministry! And although there are many questions still to be answered as we focus on all the details of our new ministry, I thought it would be helpful to give a brief overview of where we see God leading us in this new era of ministry (go to rollinghills.org and click “Transition” for more details on the history leading up to our changes and to review our new organizational structure).

With a renewed emphasis on discipleship and reaching people who are outside a relationship with Christ, our Community Discipleship vision places greater focus and resources on ministering to individual communities. Rather than having many Pastors assigned to only one specialized ministry each, such as Community Groups, Men’s, Singles, Care, etc.; we now have four Community Discipleship Pastors who have each been given responsibility for all ministry in a geographic region of our surrounding communities. For years at RHCC, we have heard the vision of “thousands of people coming from the North, South, East and West.” And while we continue to believe God for this, we also believe that, rather than waiting for these people to come to us, God is calling us to go to them! So each CD Pastor will oversee a region, working to promote relational discipleship, a sense of community, and a “missional” focus to serve and share the love of Jesus.

In addition to the regional Pastors working toward this community-centered vision, our new Community & Global Outreach Director and our Women’s Director have been included in the team. The Outreach Director will ensure that we stay focused on the mission of God to reconcile people to Himself and will assist each of the regions in developing a sense of partnership in what God is doing on a local and global basis. Having our Women’s Director as part of the CD Team shows our desire to see the majority of our amazing Women’s ministry eventually take place in the context of community as well.

Over the coming weeks and months we will continue to share more information on our Community Discipleship ministry as we prayerfully develop the necessary details regarding this vision and direction God has given us. For now, we ask for continued prayers as we follow God’s promptings into this new era of Community Discipleship ministry.

For His glory,
Monte

Celebrate Recovery

Is anger causing difficulties in your relationships?

Do other peoples' problems seem to dominate your life? Join us every Wednesday at 6:30 PM in the Fellowship Center, where we develop a spiritual plan of action to deal with these issues that is based on God's power, not our own effort. As we follow and apply biblical principles from the Beatitudes (Matthew 5:3-10), we begin to grow spiritually and become free from our hurts, habits, and hang-ups through the healing power of Jesus Christ. We welcome all who are willing to reach out and grasp the hand that Jesus is offering. Visit our Celebrate Recovery website—rollinghillscr.org!

This month in TreeHouse, your child will learn about...

Toddler and Little Buds - ...The very valuable lessons centered on Psalm 68:6 and how **My Family Loves Me**.

Preschool - ... Love and that **Jesus Loves Us**. From the rich to the poor, from the sick to all the children, Jesus loves every single one of us. Each week, work with your child to memorize a portion of 1 John 3:1 (NLT) - "See how very much our Father loves us, for he calls us his children, and that is what we are!"

Elementary - ...Honor. Through different aspects of King David's life, we will discover how to let God and others know how valuable they really are. Everyone in the family will be stretched by the memory verse - "Love each other deeply. Honor others more than yourselves." (Romans 12:10 NIV)
