## *A Year* OF GROWTH AND DEPENDENCE ON THE LORD

2010 saw us grow as a church in our conviction to be used by God to advance His kingdom and help fulfill His mission of redeeming man to Himself. God not only continued to draw people to us from the North, South, East, and West, but we also began to reach out into the North, South, East, and West. We saw evidence of this growth as more people began to deal with their hurts and hang-ups by seeking help from God through genuine relationships in our Celebrate Recovery ministry, which grew from a group of 80 to 180. RHCC is becoming a safe place to come as you are and have others walk alongside you in connecting your heart and life to God. We are seeing more followers of Jesus who have been "professional Bible study attenders" take steps of faith to begin discipling others. We believe we are just beginning to grasp what it means to live missionally and to see all of our relationships and resources as gifts God has given us to steward for His glory. We praise God that we saw over a hundred people baptized over the course of the year.

We see God opening doors all around us and are excited that more people are connecting

to the needs of individuals in our community through service. The love of Jesus is shining in our community through His RHCC followers who serve as Lunch Buddies; volunteer to befriend the homeless at our Severe Weather Shelter; and stock shelves and "shop" for children at Northwest Children's Outreach, newly housed in our Lower Level. The places that followers of Jesus are shining goes on and on—working at the Tualatin School House Pantry, serving at a free dental clinic, working with HIV patients, tutoring at schools, volunteering as coaches, befriending street teens through Transitional Youth, being trained to be mentors to women escaping human trafficking; the list is endless. In these efforts, we are not only meeting physical, emotional, educational, and social needs, but we are seeing people come to a saving knowledge of Jesus Christ. As we organize by region, we believe the impact will expand dramatically as we shine right where we live.

God is so good and faithful. We look forward with great enthusiasm as we continue to learn to think and live like Jesus and reproduce that in the lives of others.

### WHAT ARE YOUR KIDS LEARNING THIS MONTH?

#### PRESCHOOL

Jesus is with us when we're scared, when we don't feel good, and when we're hungry. We have a God who loves us and is always with us! "Young Children and Worship" is this year's Home Court Advantage class on January 30 for parents and their Pre-K and Sprouts kids. Every child coming into class that morning will need to have a parent with them. Don't miss it!

#### ELEMENTARY

We're continuing our journey through the Old Testament. We'll follow Moses as he spends time with God, receives the Ten Commandments, and hands the leadership reins to Joshua, who leads the people into the Promised Land. We'll end with David trusting God to triumph over Goliath—Victory is ours! The 3rd-5th graders will have a Home Court Advantage class on January 23. In "Designer Genes" we will discover the gifts and passions God has given us and how to use them for Him. Every child coming into class that morning will need to have a parent with them.
